

Our East Coast Plan in Action!

Dear East Coast Residents,

Thank you for working together with us to build a Caring, Vibrant and Green East Coast!

We care for one another, looking out for those among us who may need a helping hand. It's this Kampung Spirit that bonds us.

We are a vibrant community, brimming with a rich diversity of food, culture and people. We uplift each other and nurture our young, creating opportunities for lifelong learning and acquiring new skills. We help our residents especially the elderly and vulnerable groups embrace the digital age with confidence.

We want to build a green and sustainable East Coast. Our residents proudly champion many green initiatives, cultivating community gardens and growing their own edibles. Recycling and upcycling initiatives help us live a more sustainable lifestyle.

We live in safe, clean and bustling neighbourhoods with access to many amenities and facilities.

Let's continue working together to put our East Coast Plan into action!

Para Penduduk East Coast yang dihormati,

Terima kasih atas kerjasama anda dalam membina East Coast kita yang Prihatin, Bersemangat dan Menghijau!

Kita prihatin terhadap satu sama lain dan di antara kita yang mungkin memerlukan bantuan. Semangat Kampung inilah yang meneratkan kita sebagai sebuah keluarga yang bersatu padu.

Sebagai masyarakat yang bersemangat di East Coast, kita kaya dengan kepelbagaian makanan, budaya dan penduduk. Kita saling membangun dan mengasuh generasi muda kita, dengan mewujudkan pelbagai peluang pem belajaran sepanjang hayat serta meraih kemahiran baru. Kita juga menolong para penduduk kita, terutamanya warga emas dan golongan yang rentan, untuk merengkuh zaman digital dengan yakin.

Kita mahu membina sebuah East Coast yang hijau dan mampan. Para penduduk kita berbangga menggiatkan banyak inisiatif-inisiatif hijau, bercucuk tanam di kebun-kebun masyarakat dan membesarkan tanaman-tanaman yang boleh dimakan. Inisiatif kitar semula membolehkan kita menjalani gaya hidup yang lebih mampan.

Kita tinggal di kawasan kejiranan yang selamat, bersih serta bersemangat, dengan kemudahan yang sedia ada.

Justeru, mari kita terus bekerjasama untuk melaksanakan Pelan East Coast kita!

亲爱的东海岸居民：

感谢大家同心协力，建设一个充满爱心、朝气蓬勃和绿色的东海岸！

我们关怀彼此及向需要帮助的群体伸出援手。正是这甘榜精神把我们凝聚成一个团结互助的大家庭。

东海岸是个充满活力的社区，充满着丰富多彩的食物、文化和人民。我们互相扶持，培育下一代，创造终身学习和学习新技能的机会。我们也帮助居民，尤其是年长者和弱势群体，更有信心地迎接数码时代的到来。

我们要建设一个绿色和永续的东海岸。我们的居民是许多环保计划的倡导者，他们培育社区花园，种植自己的美食。再循环和升级改造计划将帮助我们过上更加可持续的生活。

我们生活在安全、干净、充满活力和可轻松享用诸多便利设施和设备的邻里。

让我们携手合作，继续把我们的东海岸计划付诸行动！
