▲ Work-in-Progress

Shopping, dining and transport will be a breeze for residents living near Bedok Town Centre. Under the Housing and Development Board's Remaking Our Heartland (ROH) Initiative, common areas outside the shops or the Pedestrian Mall will be upgraded. With landscaped walkways, better linkage to amenities and improved facilities, the community will enjoy greater vibrancy. There will be increased accessibility to food and transport, made possible by an enhanced Pedestrian Mall. Elderly-friendly features such as gentle ramps and visually enhanced floors ensure a hassle-free and enjoyable shopping experience for senior citizens as well.

# Clean and Green Campaign TREE PLANTING DAYS IN EAST COAST-FENGSHAN

To commemorate the nation's 50th birthday, the National Parks Board (NParks), together with People's Association and the community, planted over 5,000 trees at more than 50 sites islandwide from 1 August to end December at parks, park connectors and nature ways.

In line with the Clean and Green Campaign, Member of Parliament Ms Cheryl Chan planted trees together with residents on 1 November 2015 near Blk 110 Bedok North Ave 3. On 22 November 2015, Members of Parliament Mr Lim Swee Say, Dr Mohd Maliki Osman, Mr Lee Yi Shyan and Ms Jessica Tan met up with residents at ITE College East, before proceeding to Sungei Bedok Park Connector for tree planting. Residents enthusiastically wrote well wishes on cards and pinned them on the trees. Tree planting, a legacy passed down by our founding father Mr Lee Kuan Yew, has made his 'Garden City' vision of Singapore come true.

# DO NOT CONTAMINATE THE RECYCLING BIN WITH NON-RECYCLABLES

Remember when the recycling bin is contaminated, the entire load becomes unrecyclable.

## Bringing Christmas Joy to Your Neighbourhood

Saint Nicholas, or more commonly known as Santa Claus, has left behind a legacy of gifting and charity. Since then, this has become a common practice of showing our love and appreciation to those around us. Over at East Coast-Fengshan, residents were touched as they were entertained by cultural performances and magic shows. Children were also excited to participate in games either on stage or at game booths. Their faces beamed with joy as Santa Claus gave them gifts. Everyone was immersed in the festive joy during the celebrations.

# Ushering in 2016

As the year drew to a close, carnivals and countdowns were held in East Coast-Fengshan to bid farewell to SG50, while starting afresh for 2016. Songs and dances catering to all races and generations were performed. All-time favourite snacks such as popcorn, cotton candy, kacang putih, mee siam, satay, rojak and ice cream were a common sight. Children let their hair down by playing outdoor games such as Bumper Car, Western Train and Paddle Boat. Indeed, it was heartwarming to see residents celebrating till the wee hours of 1 January 2016. The vibrant atmosphere certainly augured well for the Year of the Fire Monkey!

# LET'S REDUCE, REUSE, RECYCLE!

The green ethos of East Coast-Fengshan is best actualised in the way residents reduce, reuse and recycle their belongings. Old newspapers, cardboards, tins and clothes were stacked neatly on the floors of Residents' Committees centres over the weekends. Residents meticulously separated recyclables from the general trash. Bit by bit, every resident is chipping in to reduce his carbon footprint. Implementing such good practices regularly will certainly pave the way towards a more sustainable environment.

# TOWN COUNCIL MANAGEMENT REPORT

Results for April 2014 – March 2015

Estate Cleanliness	Estate Maintenance	Lift Performance	S&CC Arrears Management	Corporate Governance

Overall, East Coast-Fengshan Town Council fared well in the recent Town Council Management Report (TCMR). It was given the green banding in four out of five areas. However, there is still room for improvement in the area of estate maintenance.

TCMR Colour Banding:

The top observation under 'Estate Maintenance' in the TCMR was obstruction along corridors. This is dangerous as movement is hampered in cases of emergency.

As residents of our Town, please be considerate and keep your corridor free of obstruction. There should be a clear passageway of 1.2 m between the items (if any are placed) and the wall of the corridors.

# COMMUNITY FOR ALL AGES (CFAA) YEAR END CARNIVAL

On 12 December 2015, 320 Bunga Merah residents joined the CFAA Year End Carnival, at the Link Building between Blks 40 and 41 Bedok South Rd. Member of Parliament, Mr Lim Swee Say launched the event. Buffet dinner was served amid a celebratory ambience. Everyone from different age groups had something entertaining to keep them occupied. While children played at Bouncy Castles and game stalls, the seniors revisited their younger days listening to Elvis Presley's oldies. Teenagers also tried their hand at riding unicycle in a workshop. As we approached the year end, this was indeed an opportune time to rest and recharge.

# SIZZLING NIGHT OF BARBECUE AND COMMUNITY BONDING

The evening of 29 November 2015 was filled with aroma of good food, at the open field near Eastpoint Mall. About 400 residents were treated to a sumptuous feast of barbecued prawns and satays, among other mouth-watering items. Residents also tried their hands at barbecuing hot dogs and marshmallows. Member of Parliament, Ms Jessica Tan hosted the event. To inject fun while creating more platforms for community bonding, the organiser introduced Bingo games which were well-received by all the residents. After the event, residents took the initiatives to clear their food and tables, exemplifying the kampong spiritedness among residents.

## COMMEMORATING SG50 WITH '1965'

On 26 December 2015, residents revisited the trials and tribulations endured by our pioneer generation in the early years at Kampong Chai Chee CC. Kampong Chai Chee Movie Marathon proved to be a riveting experience for both young and old as they watched how we have overcome obstacles to build an independent nation in 1965. The event took on a lighter note as the second movie, 'Mr Peabody & Sherman' was screened. Elderly residents were invited from the Marine Parade Aspiration Elderly Lodge and Zion Home. The students of Bedok Green Secondary School also assisted in bringing the seniors to and fro from Zion Home and the CC. Snacks of yesteryears such as *kacang putih* and ice-popsicles were also served on top of bento sets to the residents.

## DIALOGUE CUM BIRTHDAY CELEBRATION @ BLK 66

The Dialogue cum birthday celebration on 22 November 2015 was hosted by Member of Parliament, Dr Mohd Maliki Osman at Blk 66 Bedok South Ave 3. It was a lunch get-together for residents of Blk 66 and Dr Maliki also conducted a dialogue to better understand his residents and gather feedback and suggestions to improve the living environment in Siglap. There was also a birthday celebration after the dialogue for those whose birthdays fall in November. It was a great opportunity for neighbours to build and enhance their relationships and encourage better neighbourliness.
