# Cleaner Air For All

With effect from 15 January 2013 and 1 June 2016, these places have been designated as smoke-free areas.

Secondhand smoke contributes to a range of serious and often fatal diseases. Hence, we encourage smokers to play their part to observe the ban. We also encourage non-smokers to be gracious when they see smokers lighting up in a prohibited area, reminding them gently that smoking is banned and requesting them to finish their cigarette elsewhere. Together, we can make Singapore a cleaner and healthier place for all to live in.

All common areas including:

## Residential Estates:

- Linkways from bus stops to residential blocks
- Sheltered walkways, linkways and covered drop-off points
- Void decks
- Common corridors
- Staircase landings
- Stairwells
- Multi-purpose halls
- Lift lobbies
- Playgrounds and exercise areas

## Public Spaces:

- All pedestrian bridges
- 5 metres from the edge of bus stops
- Hospital outdoor compounds

## Parks:

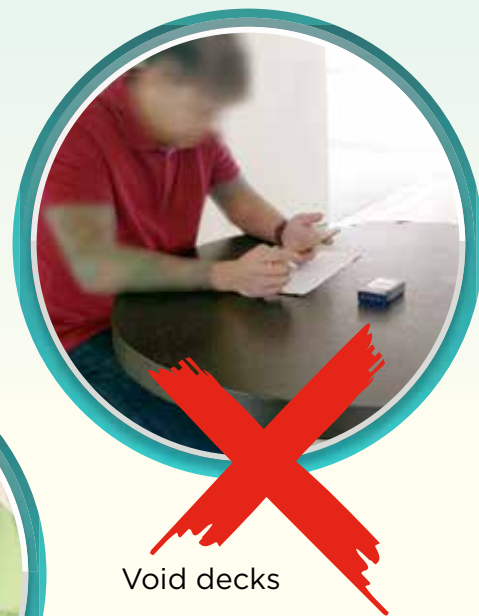

- All neighbourhood parks within housing estates managed by respective Town Councils
- Other parks include:
  - Jurong Eco Garden @ CleanTech Park
  - Jurong Hill Garden of Fame
  - The public green at Changi Business Park
  - The public green at International Business Park
  - Sakra Park @ Jurong Island
