## CHINESE NEW YEAR CELEBRATIONS

Chinese New Year celebrations were in full force this year as residents gathered to usher in the Year of the Dog with their friends, neighbours and families. Held in different parts of our town, residents enjoyed traditional lion dance performances, cultural stage shows and a hearty dinner together for an auspicious start to the new year! Enjoy the pictures!

Our town welcomed Asia's grandest street and floats parade, Chingay @ Heartlands on 10 March 2018. This year's theme of "Cultural FUNtasy" highlighted our rich multi-ethnic and cosmopolitan culture in a way that is uniquely Singaporean and involved many organisations and communities to create a dazzling extravaganza of colours and cultural diversity. Vibrant floats and dancing performers of different races and ages in their colourful costumes passed through our towns. Residents enjoyed the parade as One United Singapore. This year, we also hosted friends from Japan, Vietnam and Indonesia who all joined in our celebrations, showcasing their food, culture and performances. In various parts of our town, carnivals entertained the residents with performances such as multi-cultural stage performances, inflatable children games, exhibition booths, mural wall painting and many more. The event ended with a beautiful seven minute fireworks display. What a night to remember!

# BUDGET 2018 - SUMMARY OF WHAT YOU NEED TO KNOW

Finance Minister Heng Swee Keat presented the Budget before Parliament on 19 February 2018, laying out the Government's revenue and expenditure for the 2018 financial year. Here are six things from this year's Budget announcements that will affect Singaporeans.

**1. ONE-OFF SGB BONUS FOR ALL SINGAPOREANS**  
Eligible Singaporeans above 21 years old will receive a one-off "hongbao" of up to \$300 this year.

**2. INCREASED GST**  
As the Government's spending on healthcare, infrastructure and security has gone up and is expected to increase further in the years to come, the goods and services tax (GST) will be increased for the first time in more than a decade by 2%. Implementation will be sometime from 2021 to 2025.

Lower income groups will have schemes in place to help overcome this increase. GST on publicly subsidised education and healthcare will continue to be absorbed.

**3. ENHANCED PROXIMITY HOUSING GRANT**  
Enhanced proximity housing grants are now available at \$20,000 for families buying a resale flat to live near their parents or children and \$30,000 for those buying a resale flat to live with their parents or children.

**4. FOREIGN DOMESTIC WORKER LEVY**  
From 1 April 2019, levies will be increased for foreign domestic workers that are employed without levy concession. Levy concession for households with children below 16 years old, seniors or persons with disabilities will remain the same at \$60. However the qualifying age for seniors will be raised from 65 to 67 years old.

**5. ADDITIONAL**  
From 2019 to 2021, households will receive \$20 more in their annual U-Save. This is to help cover the annual impact of the carbon tax, which is estimated to result in up to an average of \$13.70 in additional electricity and gas expenses..

**6. SERVICE AND CONSERVANCY CHARGES REBATE**  
The service and conservancy charges rebate will be extended for another year for eligible Housing Board households.

## BENEFITS FOR HDB HOUSEHOLDS

JALAN JALAN

About 30 Bedok residents visited the NeWater Visitor Centre and SCDF Heritage Centre on 18 March 2018. Residents learnt why water is the precious lifeblood of our small country via a guided tour filled with multimedia presentations and hands-on interactive games at the NeWater Visitor Centre. At the SCDF Heritage Centre, residents took a visit down memory lane to discover how fire fighting have progressed throughout the years. Our residents also experienced what fire fighters and rescuers undergo in an operation via the customised interactive stations.
