# Mid-Autumn Festival Celebrations

It's that time of the year again, as we celebrate Mid-Autumn Festival which falls on the 15th day of the 8th month of the lunar calendar. On this night when the moon is full and round, families normally gather and indulge in mooncakes. We wanted to extend the celebration beyond family by arranging a host of Mid-Autumn Festival activities across town for our residents to partake. They joined the lantern procession and were bedazzled by lanterns of different shapes and colours, as well as delightful games for all ages and wonderful song and dance performances. It was heartwarming to see everyone enjoy the celebration of this perennial tradition.

# CELEBRATING DIWALI

Diwali, or Deepavali falls in October or November. This year, it's in November and celebrations usually go on for 5 days. Also known as the Festival of Lights, various parts of our town were lit up with Diwali lamps and parties! In celebration of this popular festival of Hinduism, Members of the Parliament and residents of all ages and races dressed up for the occasion on Deepavali Nite, and relished in the festivities of good food and entertainment.

# STAY CONNECTED WITH DIGITAL TV

Did you know that analogue TV broadcast will cease on 31 December 2018? If you enjoy watching Mediacorp's free-to-air channels like Channel 5 and 8, and are still receiving analogue TV signals, it's time to make the switch to Digital TV (DTV).

## Why switch to Digital TV?

Digital TV signals offer an enhanced viewing experience with superior quality pictures and sound. It also offers electronic programme guides, which allow viewers to easily find out what programmes are on TV, whether current or upcoming, and what they are about.

## How do I know if I need to switch to Digital TV?

If you see a black border around the picture on your TV screen, you are receiving analogue TV signals and will need to switch.

If you subscribe to Singtel's or StarHub's Pay TV service, you are already watching Digital TV.

## What equipment would I need to make the switch?

Firstly, check if your TV is digital-ready. If you're not sure, you can check on [digitaltv.sg/#search](http://digitaltv.sg/#search), or call your TV manufacturer.

### Digital-ready

If your TV is digital-ready, you just need to connect it to an indoor antenna.

### Not Digital-ready

If your TV is not digital-ready, you will need to connect it to an indoor antenna and a DVB-T2 digital set-top box.

## Where can I get the equipment from?

You can get DTV equipment at all major electronic retail outlets.

Singaporeans who stay in HDB flats and do not have Pay TV can redeem free equipment with the DTV Starter Kit. If you qualify but haven't received a letter from IMDA, you can find out how to apply at [starterkit.digitaltv.sg/#apply](http://starterkit.digitaltv.sg/#apply) or obtain an application form from CCs or HDB branch offices.

If you've received your letter, you can redeem your DTV Starter Kit at any participating retail store\*.

# HALLOWEEN @ HEARTLANDS 4

Being the fourth installment organised by Bedok CC YEC, Halloween@Heartlands has become a trademark event and tradition for our Bedok residents of all races, ages and estates to eagerly anticipate and celebrate together every year. Close to 800 residents dressed in their best Halloween costumes, gathered at Bedok Community Centre on 27 October 2018, to conquer the horror house and experience the inaugural laser maze. There were also stage performances such as storytelling, magic show as well as Halloween-themed game booths where children were treated to our very own version of Trick or Treat at the CC.

# HALLOWEEN PARTY

This year's Halloween event has successfully attracted 700 residents on 20 October 2018. Enlivening the ambience of the event were the children dressed in fanciful costumes and families flitted from booth to booth, getting their faces painted and having neon light tattoos, making their own shrink art keychains and dreamcatchers. The highlight was the haunted house where children braved through the scary house with their parents!

# HEALTH WORKSHOP AND COOKING DEMONSTRATION (IAEC)

As the saying goes, “you are what you eat.” Residents of Kampong Chai Chee spent an afternoon on 21 October 2018 learning to keep diabetes away in the Diabetic Awareness Workshop and how to whip up healthy food that is easy to cook and prepare. Residents had a great time mingling with their neighbours, exchanging cooking tips. Join us in our next session!

## FAMILY FUN-DAY CARNIVAL

Siglap Family Fun-Day Carnival 2018 sets the stage for family-friendly communities across Siglap and reinforces the message that parenthood is achievable, enjoyable and celebrated in Singapore. It also created a platform to bring community partners together to celebrate parenthood. Held in conjunction with Baby Singapore 2018 and the Embracing Parenthood Ceremony, more than 600 residents visited the carnival on 6 October. Through the carnival, many young families met and established new friendships.

CHILDREN’S PARTY  
@ CRYSTAL

“To me there is no picture so beautiful as smiling, bright-eyed, happy children; no music so sweet as their clear and ringing laughter.” This quote by P.T. Barnum resonates with the events that took place during the Children’s Party held on 6 October 2018. It was all smiles and laughter as Member of Parliament Ms Cheryl Chan met more than 130 residents, in celebration of Children’s Day. Children and their families had an eventful day with activities like stage performances, magic shows and art & craft sessions for the little ones.
